

2020 FLASH BAND COURSE INFORMATION

FLASH 4-8

Participating in FLASH Band requires students to sign up for two periods: one lesson period and one band period.

Beginner Band | Period 4

All incoming 4th graders (or 5-8 graders that have never played the instrument)

FLASH recommends that your child selects his or her desired instrument prior to registration. Upcoming 4th-grade band students who have not yet selected an instrument should register for Beginner Band during period 4. After your child selects his or her instrument, you can modify your child's schedule through the registration page to reflect the appropriate instrument and lesson period.
