

2020 FLASH ORCHESTRA COURSE INFORMATION

FLASH 4-8

Participating in FLASH Orchestra requires students to sign up for two periods: one lesson period and one orchestra period.

Beginner Orchestra | Period 5

All incoming 4th graders (or 5-8 graders that have never played the instrument)

FLASH recommends that your child selects his or her desired instrument prior to registration. Upcoming 4th-grade band students who have not yet selected an instrument should register for Beginner Orchestra during period 5. After your child selects his or her instrument, you can modify your child's schedule through the registration page to reflect the appropriate instrument and lesson period.

Prerequisite: (None)

Intermediate Orchestra Rehearsal | Period 2

All incoming 5th-8th graders

Prerequisite: (Open to Grade 5-8 Only & one school year of experience with the instrument)

If your child is renting a school-owned instrument, your child's elementary school instrumental music teacher will provide you with the necessary rental form and collect the associated fee.
